

Playtest #1

- Pressing escape doesn't make the thing go back (need to fix)

- Add animations :(

"What the fuck is going on first of all" "Is there like an actual spiders nest?"

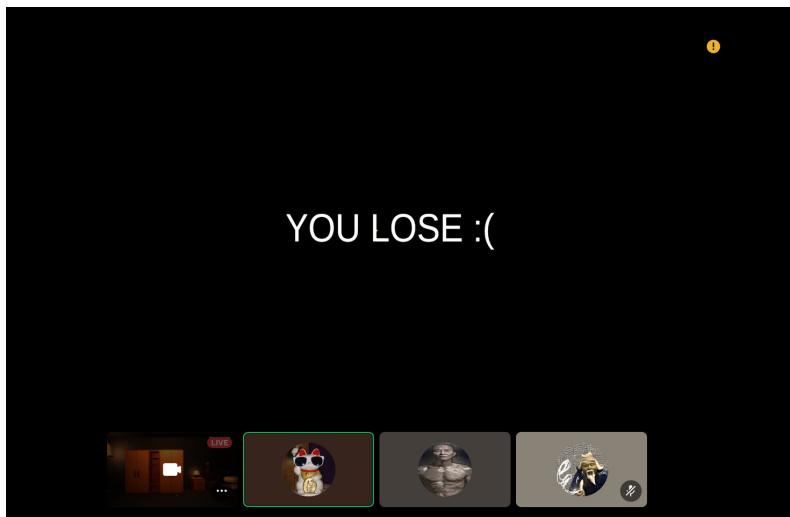

- I must make spider nest more clear :(

"Why is there like fire particles very detail and everything else is blocky"

- This playtester sucks he sucks

"What is up with this lighting. This developer sucks"

- Mean

- Spider snuck up to him and killed him. HAHA KARMA
- He wants a restart button to replay game.
- He replayed game, gets swarmed, dies, and raged quits (hes a noob)

Honest Thoughts

- Game reminds him of paint the town red
- "What the fuck is going on"
- Switch particles if going for a black aesthetic
- "Add more weapon"
- "The fire particles looks nice but its weird."
- "4k fire particles like tf"
- He wants to add grappling hooks and to make it a movement shooter :(
- Sprint is also apparently super slow
- "Make spiders shoot webs at you that you have to dodge"

Motivational Advice

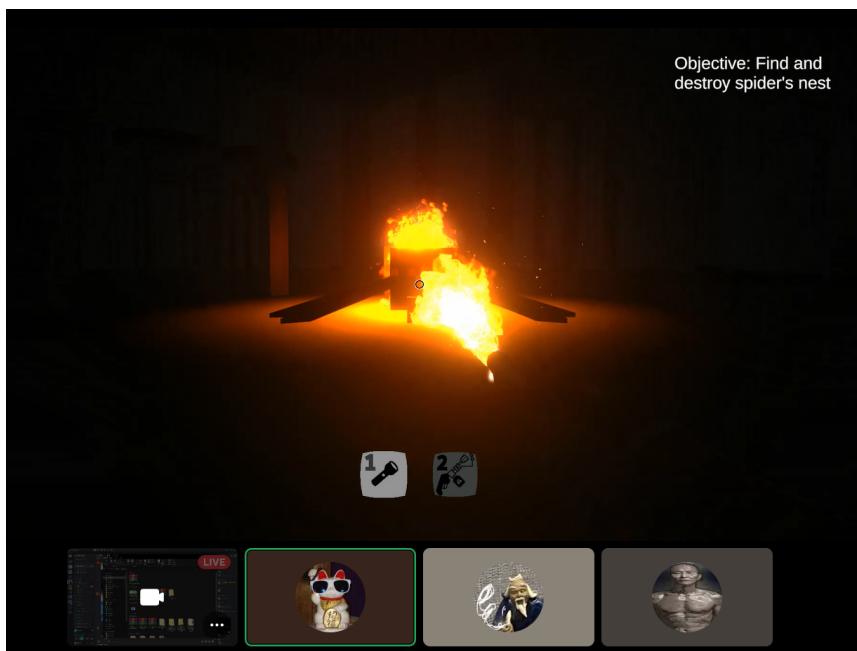

- "These damned pesky pests

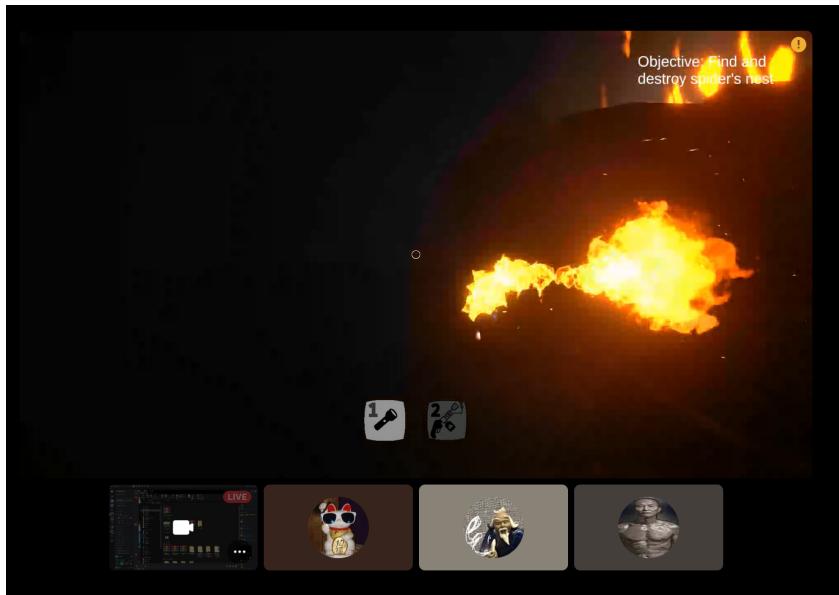

He doesn't know I installed a virus on his computer :)

Playtest #2

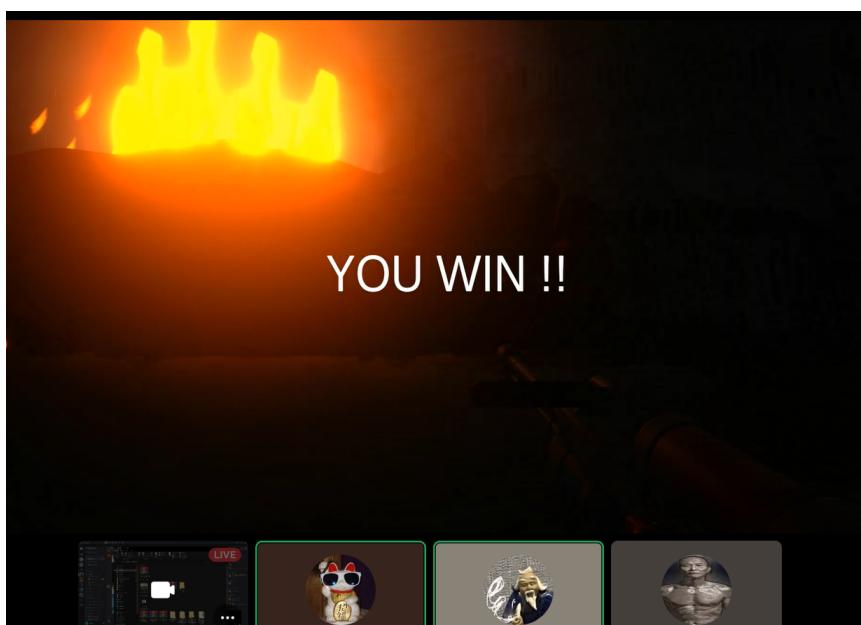

- "Why can't I kill myself with the fire"
- Complains how the fire goes through objects (spoiled)

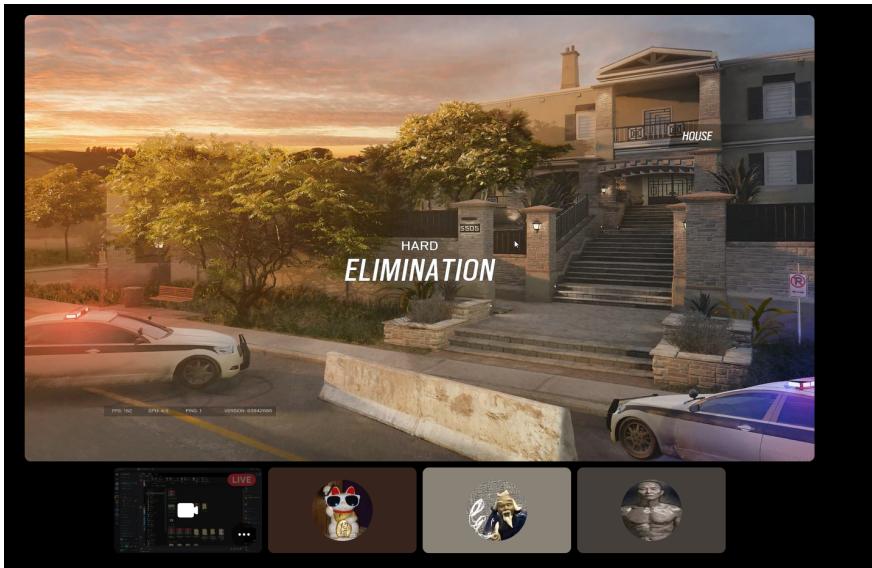

- "Am I killing the nest"
- He is stupid
- "Did I win?"

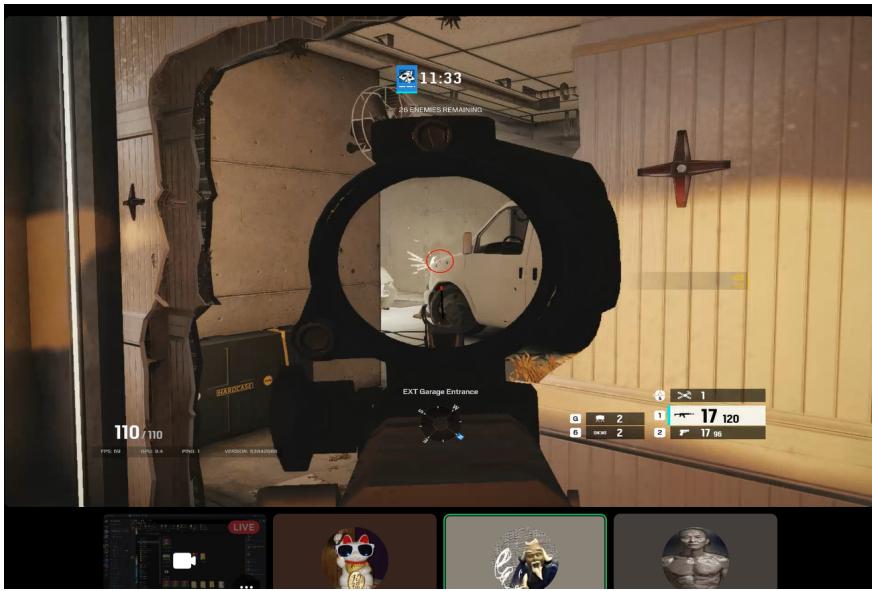

- He won wow.
- "I cant move"

Honest thoughts

- "Ur game sucks"
- "I dont know if you wanna go for horror or action or what"
- "If you wanna make more horror make map more claustrophobic and take more control from player"
- "Make spiders more unique take lesson from lethal company every monster is unique"

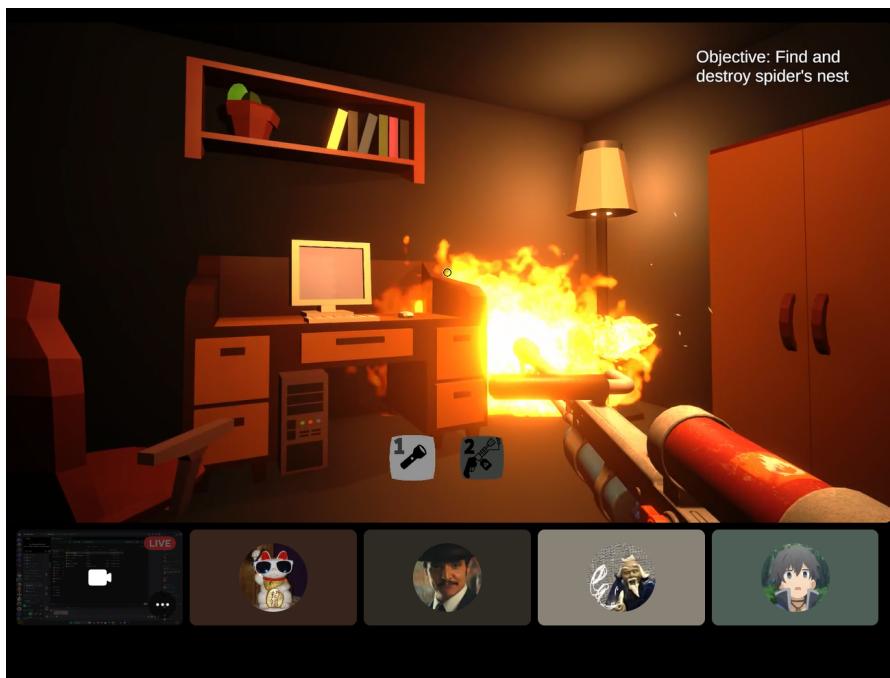

- “See this is a good game”

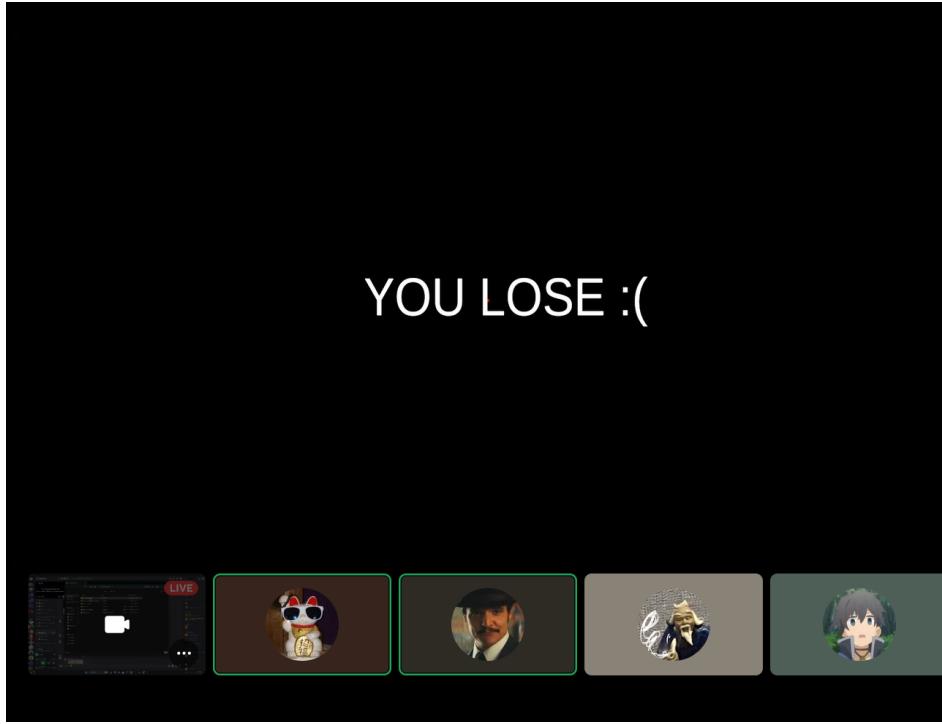

- He plays siege for next hour :(
- Pesky Pest gameplay go crazy

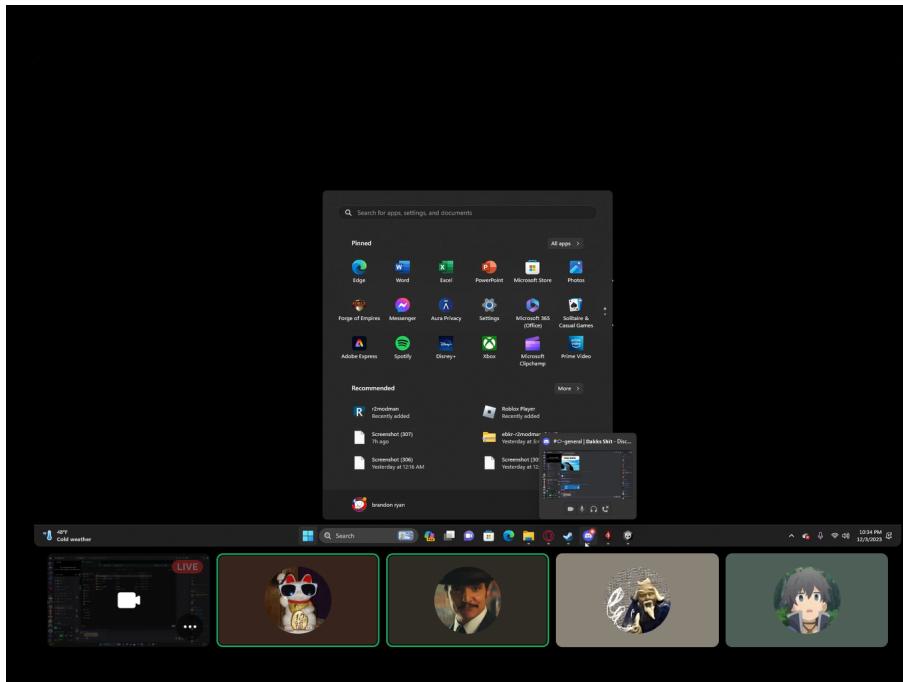

Playtest #3

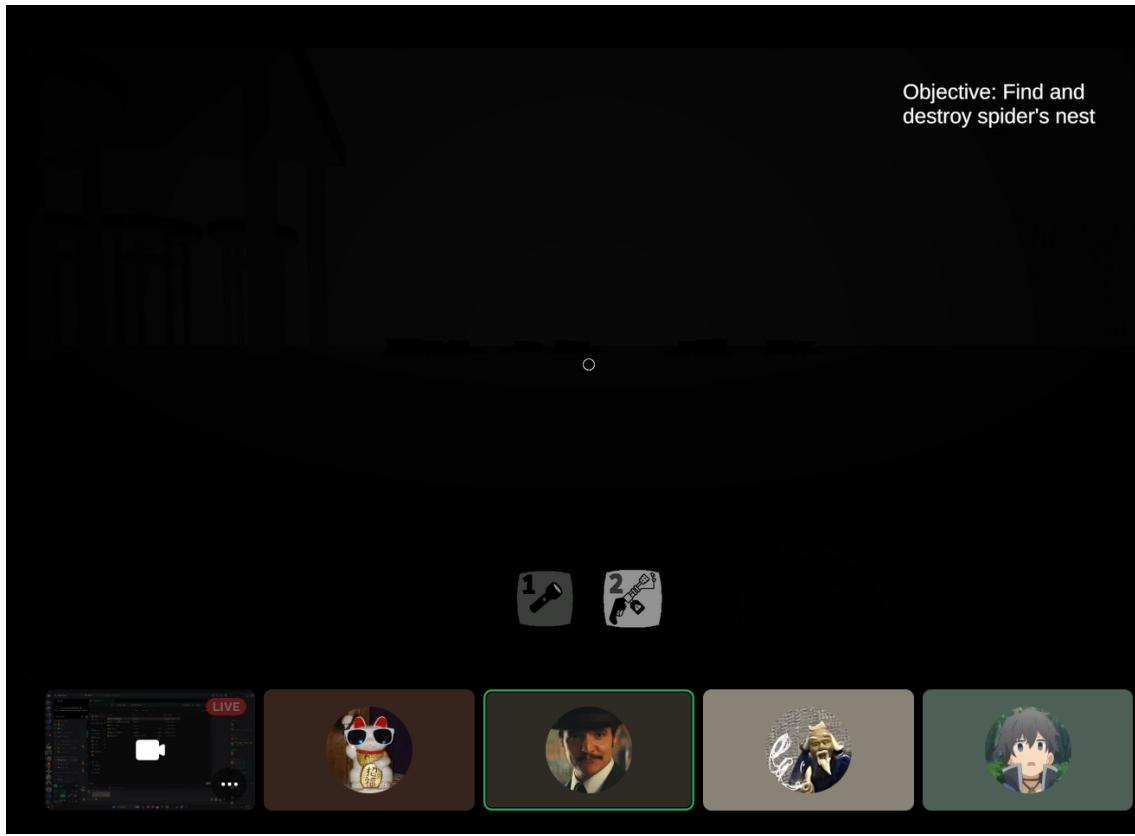

- "This reminds of this super scary roblox horror game"

- He died he sucks
 - “Game bug”
 - “Wait i have to relaunch it” (he sucks at the game)

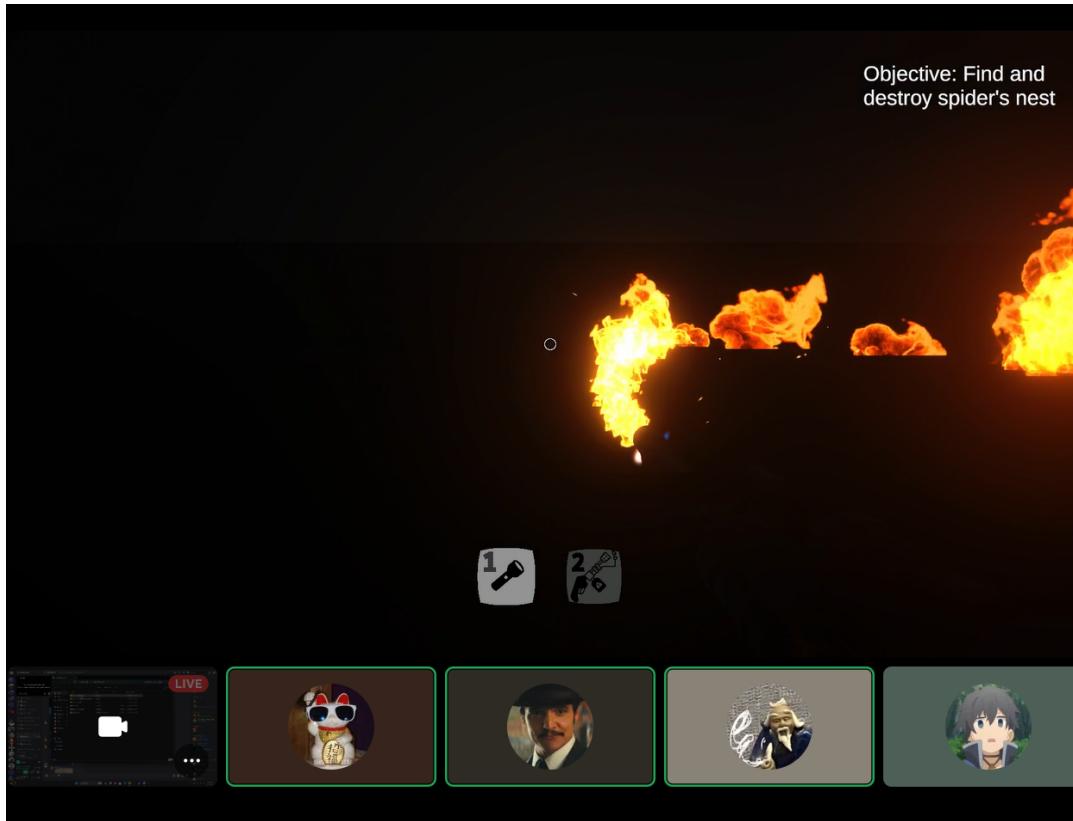

- Spider was camping the spawn and he died (he sucks)

- He couldnt find nest
- He thought it was a hold flamethrower
- "You know i at a spider yesterday" (This guy is stupid)

Things needa fix fromthis playtest

- Spiders still move after death?!?! Wat need to fix this

- He is schizophrenic
- "Am I like a dwarf or something why am I tiny" (No ur 5'6)

He proceeds to die again and same the game is ass. (he couldnt equip the flamethrower)

- He plays ck3 for a hour :(
